The information contained in this document is indicative only and is subject to change without notice. Information regarding lot details and dimensions, easements, landscaping, services locations, road designs, neighbouring properties and natural features that are depicted in this document are approximate only and are subject to change. Whilst every care has been taken to ensure that the information in this document is correct, Walker Corporation does not warrant or represent the accuracy of such information nor does it represent that this document provides all relevant information pertaining to the land being sold. Prospective purchasers should make their own enquiries and seek appropriate advice regarding their proposed purchase. Some restrictions on use, and easements apply to the lots in the proposed development. Prospective purchasers should refer to the draft deposited plan and section 88B instrument contained in the contract for sale to satisfy themselves about these matters. The proposed development is subject to obtaining all necessary planning approvals.
